

Mission Statement

The overall goal of EAI is to strengthen the support and friendship of Israel in Europe, creating a greater sympathy and understanding of Israel.

- EAI supports the Jewish people's right to a national homeland in Israel.
- EAI rejects all organizations that do not recognize Israel, and strongly opposes all delegitimization.
- EAI rejects all forms of boycott of Israel, we work to promote *all* forms of cooperation between Israel and Europe.
- EAI opposes anti-Semitism and anti-Zionism in all forms.
- EAI envisions a future where there is democracy, freedom and human rights for all the inhabitants of the Middle East, Israel living in peace and mutual beneficial co-existence with its neighbors.
- EAI thinks that the conflict between Israel and its neighbors should be solved in direct negotiations between the parties.
- EAI seeks cooperation with all actors in Europe or elsewhere that shares our goal and purpose.
